Roadside Assistance

1-800-88-8000

CLASS-LEADING AFTER-SALES AND SERVICE SUPPORT

Isuzu Roadside Assistance breakdown service team is always on the alert and ready to offer help to Isuzu drivers in need of road-side assistance. Isuzu Roadside Assistance hotline number is 1-800-88-8000

ISUZU

Insurance Pro

By introducing Isuzu Insurance Pro, not only have we created a one-step solution for our customers, the numerous benefits that come with the policy ensures that our owners receive targeted, speedy and convenient protection that have been customized to exclusively benefit Isuzu owners.

Isuzu Insurance Pro is claimed to have numerous 'best-in-class' benefits, which include fast approvals for claims below RM20,000, unlimited number of free 300KM round-trip towing for the D-Max and three free 100KM round-trip towing for Elf models, free all drivers coverage, flood relief benefits, key-loss coverage as well as motor personal accident (PA) coverage of up to RM10,000 for both policy holders and authorised drivers.

Other benefits include 24/7 roadside assistance, 10 years of betterment and excess exemption and agreed value up to 10 years for the D-Max and for the first year for lorries. All insurance claims made under Isuzu Insurance Pro will be fully honored with genuine parts as long as the vehicles are returned to authorised service centers for claim.

TESTED AND PROVEN POWERTRAIN

GH11 **EURO 5**
Displacement: 10,837cc

Power: kW(HP) @ rpm	Torque: Nm @ rpm
308 (410) @ 1,800	1,990 @ 950 - 1,400
346 (460) @ 1,800	2,240 @ 950 - 1,200

The GH11 engine has been developed to deliver optimal performance in real-world driving conditions. It combines advanced technology with high manufacturing quality. Furthermore, its excellent fuel economy is achieved through a wide operating range and high thermal efficiency.

OVERDRIVE : ATO2612F

Optimal combinations
for better fuel efficiency

An Automated Manual Transmission (AMT) is available, allowing for seamless and perfectly time gear shifts.

Easy Driving with

AMT
AUTOMATED MANUAL TRANSMISSION

Economical initial cost

**Smart saving with
Econo Mode**

Clutch maintenance free
Reduce vehicle maintenance cost

Easy & safety to drive

Concentrate on driving in traffic jam
& narrow operation areas

Fuel efficiency

ECU control shifting
reduce fuel consumption

Creep movement

Easier vehicle control during low speed

Electric Cab Tilt

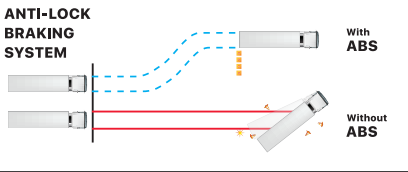

Cab Suspension
Air Bellow

Maintenance Access Step

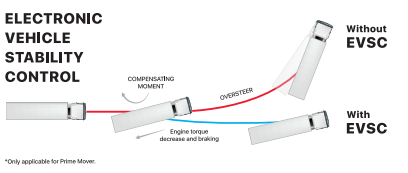

Flexi Step

Construction Bumper

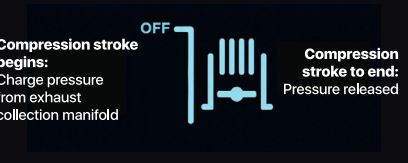

Anti-Lock Braking System (ABS)

Electronic Vehicle Stability Control (EVSC)

Multi-Stage Auxillary Braking

Cabin

Advance Instrumental Cluster (IC)

This IC provides real time driver-coaching to ensure comfortability, efficiency and safety. A simplified design allows drivers to comprehend the information easily and quickly.

2DIN Touch Screen Media Player

*Wired & Wireless Connection (Android Auto/Apple CarPlay)

Cruise Control

Maintains a constant speed to provide smoother and more relaxed driving.

Driver Seat Air Suspension

Absorbs road vibrations for a more comfortable driving experience.

Supplemental Restraint System (SRS) Airbag w/ Pre-tensioner Seatbelt

*Applicable to driver only.

Full Flat Bed Space

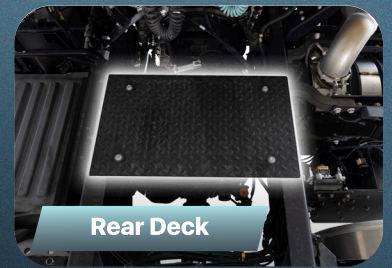

Enhances comfort with a full-length resting bed for driver to rest during long journeys.
